Six small drawers, one large drawer
3 1/2" higher than one-drawer base**

These deluxe additions to the GERSTNER line of fine tool chests are for the man who wants a larger and better chest and/or base than those shown in our previous catalogs. The highly polished finish adds to the quality look of these new items which have many new and unique benefits.

New! Slots For Handy Storage

Two slots, $\frac{5}{8}$ " x $7\frac{1}{2}$ ", in the rear of the till permit vertical storage of tools up to $9\frac{1}{2}$ " long, pads or blueprints.

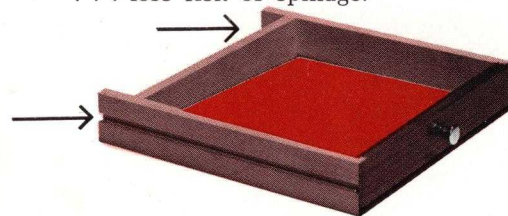

NEW! TWO VERTICAL DRAWERS...

...for handbook and drill block. Each drawer is about 25% larger than vertical drawers in other GERSTNER chests.

NEW! DRAWER EXTENSIONS

Sides of each drawer except the bottom ones in the chest and base have been extended as shown. Easy to remove to work site. Safe to leave in chest or base . . . less risk of spillage.

NEW! FLUTED TRAYS . . . DRAWER SEPARATORS

Two fluted trays are provided for rollable tools; each holds 20 tools, may be placed in any of eleven flat drawers.

Two finished wood partitions with rubber cushions on each end are easy to fit into top ten flat drawers for grouping of medium size tools.
